This is a comprehensive document to help you keep track of when you teach each of the Common Core Standards for KINDERGARTEN. I have color coded each of the Common Core Standards Strands for ELA and MATH. The color coding aligns with my ELA and MATH vocabulary cards as well. The checklists can be used with the HELP STRANDS. This is a great course to take even if you don't evaluate children because it gives you a frame of reference to appreciate what a child needs to accomplish at each level of development.

TheHELP checklist is an adjuvant self-assessment that is best used together with the HELP STRANDS. This checklist shows decision makers at a glance which online activities will likely help. This document is part of the draft report Future Ready Online Professional Development. Offers a diversity of presenters and topics around specific themes or strands. Encourages participation from individuals and teams.

An effective checklist sounds easy to create but it isn't. An effective checklist isn't a simple list of tasks. It's a very focused list of what you need to do. In this case, it's what you need to do to release your documentation to your users. Your checklist should contain only the information that you need and can absorb at a glance.
