Becoming a Manager Mastery of a New Identity

New managers must learn how to lead others to win trust and respect to motivate and to strike the right balance between delegation and control. It is a transition many new managers fail to make. In BECOMING A MANAGER, Linda Hill traces the experiences of 19 new managers over the course of their first year in a managerial capacity. Wow, Becoming a Manager is the most useful and encouraging book on leadership and management that I’ve read since moving into administration a little over a year ago. Hill followed 19 just promoted managers over the course of their first year in the new role, interviewing them and also interviewing their subordinates and superiors. As she let the new managers speak in their own words throughout, Contrary to prior reviews I find this book a very easy read. The main reason is the immense amount of real world quotations from the 19 managers being interviewed and tracked over the course of their first year being a manager. The book becomes an engaging account of the travails of these managers with insights to their inner fear and doubts.

She is also the author of BECOMING A MANAGER: How New Managers Master the Challenges of Leadership, 2nd Edition. Both books are available in multiple languages. She is author of course modules Managing Your Career, Managing Teams and Power and Influence and of award winning multimedia management development programs High Performance Management, Coaching and Managing for Performance.
An identity document also called a piece of identification or ID or colloquially as papers is any document that may be used to prove a person’s identity. If issued in a small standard credit card size form, it is usually called an identity card (IC), ID card, citizen card, or passport card. Some countries issue formal identity documents as national identification cards which may be.
